# AWAY WE GO

Accessories are going on an adventure with antique finishes and vintage shapes that have a well-traveled look. Here, from top, Reinhard Plank's straw hat; Tumi's calf hair duffel; lambskin and cotton twill bag from Olivia Harris by Joy Gryson; Sama Eyewear's 18-karat gold and diamond sunglasses with 24-karat gold lenses (right); David Yurman's 18-karat gold and diamond aviators, and Ghurka's leather, cotton and polyester trunk.
